

Visitor Experience Volunteer – Ready, Set...Game!

Role Description

Role Summary

Supporting the Front of House teams in Enginuity, you will be assisting in the Summer programming exhibit – Ready, Set... Game! This installation includes over 30 retro and current consoles, with various games to play.

Main Tasks

You'll be stationed in the exhibit, helping visitors use the consoles, troubleshooting, and ensuring everyone is having a good time.

Location

Enginuity, located in Coalbrookdale

Expected Commitment

We are looking for someone to commit to a long-term placement of at least one month. The exhibit runs until 1 September. Minimum one shift per week is preferred.

Desired Qualifications/Skills

No qualifications are required. You should be confident and comfortable engaging with people of all ages and from all walks of life. An interest in gaming is desirable.

You must be over 18.

Training

We will provide training in situ.

More Information

This role requires significant interaction with the public, including children and vulnerable adults. Shifts will run from 10am to 1pm, and 1pm to 5pm. A member of the Front of House team member responsible for the exhibit will be available for support at all times.
